

"Water and Waster Water Manufactures Representative" The Source for Valves, Experts in Actuation, Sales, Service & Support.

Frank A. Olsen Company

286 Rickenbacker Circle, Livermore, CA 94551

www.frankaolsen.com

DeZurik

Standard (PEC) Port and 100% (PEF) Port Non-lubricated Eccentric Plug Valves, AWWA and Resilient Seated Butterfly Valves, Metal and Resilient Seated Knife Gate Valves and Valve Actuators.

www.dezurik.com

Rotork

Electric valve actuators for on/off or modulating control applications. Multi-turn and quarter-turn versions. Manual worm gear operators.

www.rotork.com

Waterman

Heavy Duty, Medium Duty, Light Duty Sluice Gates, Fabricated Slide Gates, Flap Gates, Basin Relief Valves, Actuators and other Water Control Products.

www.watermanusa.com

Tonka Water

Drinking Water treatment Engineered Systems, Pressure Filters, Underdrain systems. RO Systems, Ion Exchange, Package systems
<https://www.tonkawater.com>

CLA-VAL - dist.

Control valves for the water industry. Pressure Reducing & Relief, Rate of Flow, Surge Anticipation, Pump Control, Altitude, Float, Check, Differential Control and other specialized control valves available with solenoid and digital electronic control.

www.cla-val.com

S.P. Kinney

The world's best Self-Cleaning Automatic Strainers and Blast Furnace Equipment, with over 10,000 quality installations since 1941.

www.spkinney.com

Apco

AWWA C512 Air Valves, AWWA C507 Ball Valves, AWWA C508 Check Valves
www.dezurik.com

Hilton Gate Valves

Cast and fabricated knife gate valves. Bi-directional and Uni-directional. Cast ANSI 150 flanged stainless wedge gate valves and check valves.

www.dezurik.com

McCrometer

Propeller, electromagnetic mag and insertion (SPI & FPI) style, differential pressure flow meters.

www.mccrometer.com

Water Specialties

The classic propeller meter for clean water flows. A division of McCrometer
www.mccrometer.com

Proco

Expansion Joints, Elastomeric Check Valves, Bellows, Flex Connectors, rubber or metal Flue Duct Joints. Pen-Seal pipe penetration seals.

www.procoproducts.com

Total Piping Solutions

TPS manufactures Tapping valves, Saddles, repair clamps

www.tps.us

American Flow

AWWA C515 Gate Valves, NRS, OS&Y Resilient Wedge Type AWWA C508 Swing Check Valves
<http://www.american-usa.com/>

In addition to the products shown above we represent or distribute the following:

Valcon—Quarter-turn Electric Actuators with battery failsafe capabilities & torques to 3,000 in-lbs

Earthquake Safety Systems Inc.—Seismic Controls and Reserve Power Systems

Hayward Manufacturing—PVC, CPVC and PVDF valves and strainers

Trident—Electro-hydraulic actuators that are self-contained customized that are designed to be fail-safe, submersible and explosion proof

Sapag Industrial Valves—Ball Valves, Butterfly Valves, Check Valves, Control Valves and Pressure Relief Valves.
